

# The CINERGY Pilot Trial

We are excited to announce we have Health Canada approval, provincial REB approvals and CIHR funding to launch the first Canadian RCT that links donation and transplantation research

- P** Adult neurologically deceased multi-organ kidney donors
- I** Tacrolimus 0.02mg/kg 4hr infusion 4-8hrs before
- C** OR Placebo
- O** Feasibility (accrual rate, recipient consent)  
Graft function at 7 days and 1 year

## What's next?

We welcome the opportunity to discuss with your team. We would like to present at rounds. In the next two weeks, we will also be sending each site a questionnaire to complete on site suitability.

## Principal investigators:

Frédéric D'Aragon, *critical care consultant*  
Markus Selzner, *abdominal transplant surgeon*  
Maureen O. Meade, *critical care consultant*
