

How to improve the organ donation and transplantation journey for patients marginalized by race and ethnicity in Canada?

The [Organ Donation and Transplantation Collaborative](#) (ODTC) in partnership with [Providence Health Care](#), [UHN Centre for Living Organ Donation](#) and [A.C.T.I.O.N.](#)

Thursday, February 24, 2022 11:50- 1:30 pm (ET)

NOTE: Please find Zoom information in the calendar invitation or below.

SESSION OBJECTIVES

- Listen to and learn about challenges faced by communities marginalized by race and ethnicity along the organ donation and transplantation (ODT) journey.
- Identify opportunities for improvement through action by the ODT community and partners including governments.
