

# Research Participants Needed

## “Making Visible the Life Stories of Families of Children who are Immunocompromised (IC) during COVID-19”

- We want to learn about your experiences as
- **a family living with a child who is IC or who has an immune system condition during COVID-19.**
  - Participation in this study involves taking part in virtual interviews and activities using photographs and videos. In-person interviews may be arranged upon request.
  - All parts of this study are voluntary and confidential. Any amount of involvement is valued.
  - You will receive an honorarium in appreciation of your participation.
  - If you are unsure of whether your child's condition is IC and would like clarification, please feel free to contact us.
